Learn about Slack at IDR Lunch and Learn

Greetings IDR colleagues. Lesley Briante will welcome all to our new monthly event--IDR Lunch and Learns!

Our goal is to help you learn something you didn't know, and to interact with others across IDR. This month's event is called "Everything You Always Wanted to Know about Slack: But Were Afraid to Ask". Slack is a chat client that can provide us with a centralized way to communicate via topical channels. At this "show and tell" some folks from 18f who use Slack every day will show you how they use it, and answer questions.

We will most likely be starting to use Slack in the near future, so if you can make this Lunch and Learn, you will definitely be ahead of the game. Thanks. -Monica
